*** If you have special accommodation needs, please contact Susan Lee at (425)649-4486 or TDD telephone number (425)649-4259 10 days before the meeting ***

The Vision 2010 project is being facilitated by Berryman & Henigar and the University of Washington, to help community members articulate a vision for the future of the town, and identify opportunities for achieving it through the cleanup effort. Funding is provided by Washington State Department of Ecology in the interest of supporting public involvement.
